Emerald Mine
Juab County, Utah

ACT-023-001

Dear Mr. Temple:

Enclosed herewith is the Reclamation Contract which your company filed as surety for the Emerald Mine. The contract has been conditionally approved by the Board.

Since you will stop, or have stopped, active mining already the approval is conditional in that the reclamation work will be performed within three (3) years of the date of the contract. Naturally, if another operator assumes the mining operation within the three (3) year period the reclamation responsibility would be re-assigned to him. *According to the contract a bond is required.*

If you have objections to the conditional approval please contact this office as soon as possible.

Sincerely,

DIVISION OF OIL, GAS AND MINING

please note: If another operator assumes the mining operation a bond will be required to be filed by such operator.
